DETAILED ACTION

Allowable Subject Matter

Claims 1 and 2 are allowed. Claim 1 is the only independent claim.

The following is an examiner's statement of reasons for allowance:

The closest prior art of record is (USP 2002/0021946) to Emoto et al.. Emoto et al. teaches a pin mirror cutter comprising: a first tip mounting seat formed in a peripheral face of a substantially annular cutter body which rotates around an axis; and a second tip mounting seat formed in an end face of the cutter body, wherein a throw-away tip in which cutting edges are formed at intersecting ridgeline parts between a pair of oppositely disposed side faces and upper and lower faces of the tip body is mounted on the first tip mounting seat ('946, figure 3). Emoto et al. also teaches the axial rake angle of the first cutter to be positive relative to the cutter rotation direction and the axial rake angle of the second cutter to be negative relative to the cutter rotation direction ('946, 65, paragraph 52). Suffice it to say, the patent to Emoto et al. does not disclose the inserts having a pair of oppositely disposed long side faces of a substantially trapezoidal flat-plate-shaped tip body, as claimed in independent claim 1. (please note Emoto et al. specifically teaches the advantage of the insert being a negative insert having a basic shape of a parallelogram but an improved shape for the purpose of improving cutting performance, machining accuracy and tool life (paragraph 57)). Furthermore, there is no combinable teaching in the prior art of record that would reasonably motivate one

having ordinary skill in the art to so modify the teachings of Emoto et al. and thus, for at least the foregoing reasoning, the prior art of record does not render obvious the present invention as set forth in independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sara Addisu at (571) 272-6082. The examiner can normally be reached on 8:30 am - 5 PM.
